Dear Mrs Merkel,

We would like to let you know to close all accounts with Julius Baer, Zuerich and Guernsey. It is not our policy to hid funds in offshore accounts which obviously are used to excute payments to German politicians. The last few payments in the amount of USD 1'200'000 was even paid to a number account with Credit Suisse. Those payments miss all reasons and therefore those are susbicious transactions we are forced to report to the authorities.

We kindly request to sign attached confirmations and close in particular your Trust and the Trust of your husband with Julius Baer, Guernsey.

Regards,

Bank Julius Bär & Co. AG
